tree rings

The tree is old  
is walnut  
drops walnuts in the autumn  
the felled walnut tree  
is a chainsaw  
and quiet the chainsaw [then]  
to inspect the fallen trunk  
is a cross sectioned log  
in an operative mention  
a tree trunk is mostly circular  
from the center  
the radius  
every year another ring around the last  
guess one hundred years of  
tree rings  
a seasons reflect  
a circumference the abundant season a smaller ring a dryer season  
colored variantly nor identical to the previous

and a slab to be  
polished  
andwith glass atop  
the coffee table

privation of the individual  
were there  
privation of the soul

and the world of forms as  
forms of material

including the dictionary

were there a soul for every  
dictionary or

to be reserved for the living

and the individual I  
recognize is an hero

outside my

own

Paul Bunyan and what I know of Paul Bunyan

Paul had a babe carried  
a big axe  
chopped down cherry trees  
floated [them] downstream with  
little people floating atop  
the wet logs  
with pickaxes  
with pulaskis  
pith harpoonlike spears to turn and move a logs

I am not certain what babe was around for and  
babe was a blue ox  
babe was a beast of burden and  
babe was a friend to Paul Bunyan

the gentile to those [who]  
do not  
know  
Pecos Bill

healthy fat in pistachios and  
unspun ice cream is rich and  
half the swirled bubbles as  
ice milk whipped and  
the pistachio with fat is no omega three rather  
the salmon  
the omega three for ingestion  
acid may have proper usefulness there is a place for acid nor  
methane acid  
colors like sulfur  
bubbles from the ground cause hot springs and  
smell like  
a strike anywhere match on clint eastwood's sole  
a pistachio may require as much irrigation as  
the artichoke  
the aqueduct and the community near the aqueduct there is  
not much wind  
atween canyon walls and  
the sound of an aqueduct is like  
a babbling brook  
the pistachio plantation is an orchard as the filbert plantation is an orchard  
a woody trees in rows  
good for hammocks  
and I am not aware of other good fat sources with salt  
at movies  
I have never had a chocolate covered pistachio  
  
cayenne pepper is good in chocolate  
  
and sea salt  
  
nor a plan to eat diet chocolate  
  
and the pistachio letted with finely ground salt an half cracked shell

lore  
[the source may or may not be culprit]  
folk  
mythic

andwere the sabbath reserved as ritual

those who go down to  
[and down into]  
the sea

the environment beneath the surface

is

[wait]

and there is reflection to recognize reflection  
the surface from  
beneath

is a limit is  
a dare

andwere [ascent] is

a verb

to dwell on one's own

[kept]  
were internal

and the home without  
an  
other

and will a dog count

and dwell  
[that]  
an  
other be  
heard

and so deeply without  
sound

and  
I do not breathe  
I do not breathe

regarding literature how does a background disappear

social

the sketch to say of judgment

there are types and

the collective inwhich a warriors are

on horses norwith

horizon

and spear is without background

and the flower with nor soil nor clouds

the colored pencil andwith no background

regarding literature

how does a background disappear for

the flowery author

and to begin a writing

an object with no context I

I do not know and cannot regard

and to say

a moment has

happened

[witness]

one brick off the ground  
sidney poitier

another atop were  
dried mud

another row

the string for level

pictographs  
is a denotation

the ink on the rocks is one thousand years old

and the carving  
in the rocks  
as old as

and the white deciduous at altitude  
is carved  
where there were a park

and the bark heals  
ugly

protogamut what was is  
historical

the evaluation of the protogamut

what it were on the second day  
full capacity

and the application of the gamut

I like to witness weather

the blizzard in clothes ski mask  
the events the phenomenology of ice blown ashore  
the lightning storm  
it is midnight  
heavy rain nor see through the windshield wipers  
it is midnight  
the snow drift happens a side of the road to the other side  
of the road  
shaped like a sand dune  
eight feet tall  
so cold the vehicle did not brake through the ice  
and the bees the thawed  
a storm offshore sideways wind  
and the way a rivulets after  
the tide

those who go down to [and into] the sea

and about those to climb a mountain

and without leaving a flag

at the deepest at the highest

to witness

the crash

and the shorekelp

the wind

to stare at

the ship [across] half above the horizon and

what is beneath

were vertical from an anchor

into the ocean

the surface

-

and the woman beneath the sea said

she waits

[or was it he waiting for her]

cacophony

and there is no wind

and there is no sound

the deafening sound

and silence is another sense

what is grotesque

the expression is grotesque

and sex is carnal  
and eating is carnal

is grotesque

modesty is grotesque  
blasphemy is grotesque

the ten commandments are grotesque are the ten commandments not grotesque

the grotesque noncommittal  
the redundance of noncommittal is  
grotesque

on the inanities of lunch  
lunch is grotesque lunch is carnal

is grotesque

and she wore a tshirt caught my attention  
and why my attention is caught is  
grotesque

the person with the abrasion on their skin is  
grotesque  
and what to witness resembling the grotesque is  
grotesque  
[really it did not hurt] said the abrasionee

the jello is grotesque  
for its pears and pineapples  
the jello is grotesque

the story goes  
I disagree

the object of language is located in literature

the subject were  
my attention

the grotesque is a carnival

and the calliope

lemonade is good for spectacle lemons sugar water

the darts with rounded tips

[the big prize]

for the girlfriend [the purple hippo] [she chose the purple hippo]

I have never been on a ferris wheel and

there is a dairy show out back and groomed bovines

out back

a goldfish with a ping pong ball and

the rubber sledgehammer to tell you how strong you are

I once had a creme puff and the creme puff were not grotesque nor the corn dogs

corn dogs are good for spectacle

the trampled grass near

the giant slide with burlap bags

the clouds roll in

the empty stage is yet vacant it is afternoon

open flame

the opened window  
the steady pull to the weightless  
how a wick burns

through wax

wax is the slowness of the wick

I do not know the word didactic  
 like podium  
 like privat dozent

itwere childcentered learning introduced  
 the didact

a moral education filled with  
 character

and  
 [what good is society]  
 [now that you bring it up]

little league is good  
 thanksgiving turkey is good

there are opiates [of course]  
 opiates never bothered anyone

generally speaking  
 no one complains of secular holidays

and a weather in the parks  
 no one complains of a weather

a societal weather

find your seats children  
 whose turn is it to hand out the chocolate milk  
 the ginger windmill cookies

not so much reinforcement

an unconditional part of the day

and the societal weather near  
 harvest

near gathering afore the first freeze

a societal weather  
 andwere sweaters andwere sweaters being knitted

said character among those with  
 character sweaters

book review \_poland\_ by james michener

I have not read the book yet  
 the book has been on my bookshelf ten years  
 james michener wrote creative nonfiction  
 nine am to five pm monday through friday

the title \_poland\_ mentions poland

and were tribes preelectrical tribes in poland

eleven and twelve hundreds ad ce

and how neighboring tribes and neighbors get along

the dustcover on my copy of \_poland\_ is in good shape and  
 will protect the natural cloth cover of reddish hue

poland is near the baltic sea  
 likely snow in the winter

I once knew a polish woman in two thousand nine ad ce  
 she attempted to give me an artist \*kiss on my lips  
 as she was an artist  
 before we ate a salad  
 or maybe after  
 she drove a volvo s90 anyway  
 and she asked me to drive home or to the museum

is baclava polish there must be bees in poland  
 something sweet

and I do not know what james michener looks like

the baltic

is a cold and lonely sea  
 [I have seen photographs] there is wind there are pekid whitecaps and  
 lighthouses snowcapped jetties frozen waters  
 and submarines  
 since the nineteen hundreds with  
 underwater garages for the submarines

poland borders the baltic

real life on music television

shock the monkey

one two three lock box

probably aerosmith and martha quinn

hooked up

musta been the eighties and

there were lines on my zenith thirty three inch color television because I had  
no cable television at age thirteen and the sound of music television was still

good so I did not mind the smattered anticable because I did not have a cable  
subscription music television was like a radio in my experience when music

television still had music as its programming called 'videos'

michael jackson thriller

probably madonna

probably def leppard

david lee roth california girls

privation

shall

I list my inventory

—

is the moving clouds

-

the best poem ever  
a walk toward the reading

reached into a refuse can next to  
the waist high chain link fence

picked a poem  
the best of nineteen eighty eight anthology 'best poetry of'

something about love

threw away the book after

the brass railings about  
the second floor

the grand piano aneath the railings

something about poetry

literacy is so intelligible

there was an atrium at avol's  
no one ever looked over the wooden railing

to the reading area

I had an atrium growing up  
my home surrounded a small area with  
a large conifer

there was mint grew naturally  
once the mint was planted

required no maintenance

the bookstore about the atrium

pasta next door  
chicken fettucine with  
a paper check from a book sale

the lunch after the book sale is

the best and

I own my own long arm stapler and

staples office supply store is

replaced by a weightlifting gym

so

you cannot have a long arm stapler like

I own a long arm stapler

the difference between grotesque and absurd

grotesque is ugly grotesque is carnal  
absurd is confounding

human deformity is grotesque  
I cannot look away  
shall I look away  
and they found shoes to fit

and her lipstick  
[egad]

who gave her that hat

who could expect  
[the absurd]  
the absurd  
[really]

and the bunny costumed man commuting was only written by an author

and to mention

the bunny costumed man was waiting for  
a municipal bus

with briefcase

trains come and go all night  
electricity on top of the cars a wire  
the cement pad inwhich  
a wait for the train

and there was man tattooed six six six [666] on his forehead atween  
his eyes  
standing on a pedestal on an eight foot cross  
arms outstretched six hours in a row  
every thursday  
his six children standing at the base of the cross  
[he] may or may no have been accepting questions

mcgriddles and reversionism

a return to the sausage egg McMuffin

and revisionism

the aspect of rewriting history with  
relevance to contemporary including  
the future

a particular event in history and  
without dispute

several were witness

and there were a notable book [reference] and  
acceptable

and were

another in particular note to avoidance and prosperity  
with regards to the same event

said historiography

each witness is a perspective

the historian a one of the witnesses with notable  
book

revisionism

for what is incomplete is to be noted  
for the sincerity of the event

a same timeline chronology

and note of cause

[perhaps]

that an event continues to confound

hammered steel

the flat

steel

again and again with dents into

three hundred appreciators if I am not mistaken

three balconies

she is the united states poet laureate

the outdoor concert

the gazebo

and were jack johnson kindergarten folklore

precedes a second act

and I have never been to the telluride jass festival

and politics may or may not be the ends of divinity

and I grew up on the west side before

the third high school

the dynamics of a two high school town

cross paths on occasion

healthy athletic rivalry

eighteen year olds may or may not cross paths after high school

what is once called junior high seven eight nine

what is now called middle school six seven eight

a junior high is a different building from the high school

there were two of each when I graduated from high school

west side east side

one junior high for each side the east side junior high had a swimming pool

nor the west junior high

the west high school had a swimming pool

high school [officially] is nine ten eleven twelve

the west side high school building ten eleven twelve at the time of my  
graduation

and the cinder track and field track

the superintendent's office was located adjacent to the west side high school  
and the superintendent once spanked my wrists at the request of the west side  
high school principal regarding acronyms inwhich ms odgers four weeks after  
wrote on the chalkboard an acronym and the idea of an acronym

the same principal I saw at lone rock on a day off teacher's work monday  
through friday eight am until three thirty pm with thirty minute duty free  
lunch expects the national education association per contract

anyway the door in the floor is good regarding good literature dvd's and

there is a door in the ceiling at kolb studio at grand canyon national park

there is a door in the ceiling at mount elden firetower

epiphenomena

the start of concentricity is observable

nor I threw the pebble ofwhich

to say attention and  
the curious

how curious what I have seen the  
concentrics of water  
[and without cause]

[I ponder]

concentrics of water

to say mastery without saying mastery

I

know the nature of concentricity and

I

may or may not choose a cause which causes

I may or may not throw the pebble to prove  
concentricity

andwere an original interest at

lakeside

I cannot explain

[that] a concentricities exist without cause

there are orbits

and an orbit is no watered concentricity

by pebble source by pebble cause

nor lightning to ponder the presently unexplainable

and the seismic

I am not aware

for recence is only a measure

recence is only a checklist

camp gadgets

the one inch can opener

the can of beans

the titanium tentstake

weighs half the weight of the plastic ones

the liquid fuel stove and

the boiling water

the oatmeal

the instant coffee

the can of fruit cocktail

the space blanket red on one side silver on the other

the underwater upside down writing instrument

the field note waterproof paper

the thirty three ounce campchair

the sleeping bag compression bag to hang from tree limb above

with smellable food within

out of reach of bears raccoons squirrels

privation of the stone

privation of the yolk of an egg

privation of the writing instrument

privation of the office of the writer

privation of the nook at the used bookstore

privation of the study carrell

privation of the title

privation of the absurd

privation of death

privation of burial place

privation of the sacred

privation of the confidence of the eventual

privation of pain

privation of language

privation of intent

privation of sunrise

privation of the forest

privation of one's garden

privation of the municipal park is sociology

privation of an handshake

privation of a vote

privation of having traveled

privation of the ocean privation of beneath the ocean privation of an ocean  
sunset

privation of the presentation of one's jewelry

is no entitlement

privation is a word

privation of the ornithological predatorial hawk I saw in the forest seeing me

privation of the local

privation of risk

privation of possession

privation of the entity of knowledge one contains within their own living form

privation of experience

privation of learning

privation of unwillingness to teach

privation of elite-ism

privation of the gate house

privation of the grape

privation of yeast

privation of the door

privation of one's spouse

privation and transience of one's favorite color

excursus

def: EXCURSION a destinations and return

def: EXCURSUS a destinations and stay

I went away I

am going away

I have not decided where I will be buried yet

parents die before their children

did you know

I

am going away

I once saw a [really] old headstone at the civil war cemetery

the stone had been broken from the top

diagonally

there was a thirty foot tall obelisk near at another headstone

there was moss on the stone

nor the sound of traffic but

a bird

only

I have seen the arlington national cemetery in arlington virginia

very impressive among

all the other cemeteries quite

impressive

cemetery without headstones a place for mourners visitors to leave a flower

cemetery in the country aneath the lone tree on the hill

the float the dead down the river culture

whether to send a postcard having excursused

whether one is invited to the destination they have arrived at

whether one has lodging for when they arrive

having once gone shall I qualify to already having excursused were I

to plan anew

to excursus and

[were again the same excursus again and how small shall excursus become to plan

anew {redundance}

is a verb is a noun

I speak of excursus

the robot and the entemological robot and the bunny robot and the baby robot  
and the taxi driver robot and the park ranger robot

and the automatic airplane and the automatic vehicle and the automatic lights  
turn of when it is day

and the smart lights turn off when it is day

and the day is solar is not  
the day solar

when the risen sunrise and the turnals  
[then]

the trees are robots all of the trees are robots and the saplings are robots  
and the winter trees without leaves are robots and the conifer tree is a robot  
is not the conifer tree as much the robot as the deciduous the robot

there is a warming of the ground decides  
the start  
the robot and the  
other robots begin a near time when the ground thaws  
a little purple flower from the pine needles nor other life the crow  
and the robot squirrel

and the robot frog  
ate the fly the robot

robot chickens may or may not tasted delicious in regards to the manner in  
which they are prepared I once ate a robot frog with irish whiskey was alright  
there were clouds in the afternoon

the robot fish  
the robot lily pad

the robot tool lifted by the opposably thumbled robot ordered by the conceptual  
robot in an interest of twenty five dollars uh day

the livestock robots giving birth to other livestock robots cat robots eat mice  
robots eat grain robots lying around and leave poop robots causing disease and  
the barn building robots

the prairie dog robots the wasp robots the bee robots are curious

cable television and the virtues of cable television

black and white sitcoms are good including gilligan's island  
old game shows like gong show and newlywed game are good  
cartoons are good if they are not digitally generated

[ethnoastronomy] [and with names] [celestialism]

andwere populations transient [a language  
[free association is verbal and

transient in thought is cause to intention were  
the coalescence of thought

intention is and is not cause for one's action may or may not be  
cause for attention

the tale

the nonprovision of food and air to the one entry cave people

I was once in a cave called a lava tube with flashlight  
hiked two miles into the lava tube

and a cave in a mountainside the entry  
covered with a bush to push aside  
low cave stone entry and upon being  
the cave becomes expansive should have taken a string

I have not camped in a cave  
camping in a cave would require provisions  
food air

mythopoeic

a cave may be more comfortable than a cabin a lean-to a teepee for the duration  
of winter

a cave is fifty five degrees year round

and the candle from wombat talo  
and the shadow the shape of

entertainment

and the cemetery down the southeast passage tunnel  
crypt

the trickling water

I have never eaten a wombat wombats may or may not be rodents bat eating  
rodents

wombats may or may not be revered

the sole entry exit to the cave is a mythic line to the population within

the wombat allegory predates the edibility of sticks  
and fungus  
and the phosphorescent stones are unknown to those without  
blacklights

the moral of having many babies  
the moral of having one baby

in event of ninety of one hundred babies dying there are  
ten procreative  
in event of one good baby nurtured

what is left to nature at birth  
what is sheltered until maturity

—

the spider has many babies miniature and red  
the snake has many babies eat little things originally before the maturity of  
the python  
the salmon the spawning salmon in a quiet stream

the species having one baby inwhich the baby is nurtured sheltered unto  
maturity

—

to woo entropy

is diaspora the social the procreative  
 and in a watered glass the salt  
 saturation the limits of a container  
 and whether one is larger at death  
 and whether one is smaller at death  
 I do not know and say  
 I do not know  
 [death]

what is away will not return and cannot return  
 I do not know  
 [death]

the wand the intention  
 and I have no control [once]

for to recognize control

entropy

and the spectator

—

an initiation were  
 an initiative precedes an initiation

—

and the empty nest a parents are  
 young  
 are a parents not young

the time of day

to have forgotten my watch  
the sun is near high

it is november  
offset
